Within five (5) working days after the written grievance is filed, the aggrieved, the representative of the aggrieved, if desired, and the City manager shall meet in an attempt to resolve the grievance. The City manager and/or his/her representatives shall file an answer within five (5) working days of the third step grievance meeting and communicate it in writing to the employee, the department head and the representative of the employee.

Section 6. Fourth Step. If the grievance is not resolved satisfactorily in step three, there shall be available a fourth step of impartial binding arbitration. If a demand for arbitration is not filed within ten (10) working days of the third step reply then the grievance will be deemed settled on the basis of the third step answer. Grievances, which have been processed through the preceding steps of this procedure, and only such grievances shall be submitted to arbitration as provided below:

The grievant or his/her representative shall submit, in writing, a request to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two (2) parties within five (5) working days after said notice is given. If the two (2) parties fail to reach agreement on an arbitrator within five (5) working days, the Iowa Public Employee Relations Board shall be requested to provide a panel of five (5) arbitrators. The parties by mutual agreement shall have one (1) working day to strike all the names. The parties shall determine by coin toss which party shall have the right to remove the first (1st) name from the list. Each of the two (2) parties shall alternately strike one (1) name at a time from the list until one (1) shall remain.

The remaining name shall be the arbitrator. The decision of the arbitrator regarding a grievance on the contract under which the grievance was filed shall be submitted in writing within thirty (30) working days following the close for the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision of the arbitrator shall be binding on the parties. Binding arbitration shall mean the hearing and determination of a case in controversy by a person chosen by the parties.

The arbitrator shall have no power to alter, change, detract from or add to the provisions of this Agreement, but shall have power only to apply and interpret the provisions of this Agreement to the settlement of issues and grievances arising hereunder.

The decision of the arbitrator shall be final and binding on the parties. Expenses for the arbitrator and the proceedings shall be borne equally by the employer and the union. Each party shall be responsible for compensation to its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such record to be made, providing it pays for the record and makes copies available without charge to the other party and to the committee.

Union Management Committee. Employees selected by the union to act as union representatives shall be known as "stewards". The names of employees selected as stewards shall be certified in writing to the employer by the local union and the individuals so certified shall constitute the Union Management Committee.

The employer shall meet with the Union Management Committee no more than once each month at a mutually convenient time providing an agenda has been prepared prior to the meeting. More meetings could be held if mutually agreed to by union and management.

All Union Management Committee meetings will be to adjust pending grievances, and to discuss procedures for avoiding future grievances. In addition, the committee or the employee may discuss other issues which would improve the relationship between the parties.

This Agreement supersedes and cancels all previous agreements and practices between the City and the union or any employee, unless expressly stated to the contrary herein and constitutes the entire agreement between the parties, and concludes collective bargaining for its term.

The parties acknowledge that during the negotiations which resulted in the Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and the union, for the life of this Agreement, each voluntarily and unqualifiedly waive any right which might otherwise exist under law to negotiate over any matter during the term of this Agreement, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Section 4. Notices. Any notice provided for herein shall be sufficient if it is in writing and personally delivered to one authorized representative. A notice must be signed.
